2010 Facial Soundscapes Intensive

2 Modules of Soundscapes Training

Facial Soundscapes: Harmonic Renewal is a vibrational facial protocol utilizing Acutonics® tuning forks that is gentle, powerful and non-invasive. Using the 5 Elements of Oriental medicine, treatments are customized for each person's constitutional archetype.*

Facial Soundscapes: Harmonic Renewal

Materials to be covered include an in-depth journey into the healing aspects of sound, overview of the Earth, Moon and Sun forks, their mythic & archetypal attributes, and how they relate to the face, an Eight Extraordinary meridian meditation (for right brain consumption only!), specific 5 Element sound points, "sounding" your hara, and a basic Soundscapes treatment targeting specific facial syndromes such as jowls, turkey wattles, puffy eyes, etc. Students will be introduced to the Five Element landscape of the face, and an entire topical herbal protocol.

Planetary Soundscapes: The Cosmic Countenance

This class expands upon the concepts introduced in module 1, with an emphasis on applications of Acutonics® planetary forks and interplanetary intervals in the context of a constitutional facial treatment protocol. Materials include 8 planets - Mercury, Mars, Venus, Jupiter, Saturn, Uranus, Neptune and Pluto, how they relate to the face, planetary intervals, astrology and physiognomy, planetary facial syndromes, and their cause and treatment.

*Information about individual modules may be found at www.chiakra.com/ss_training.htm.

Please note: a \$30 non-refundable materials fee is to be paid directly to the Instructors for herbal products, creation/maintenance of a Referrals web listing, instruction manuals & certificates of completion.
