Come join us in lovely Tokyo; Japan is glorious in late autumn. Temperatures are moderate, and the fall colors - burnt orange, red, yellow - are at their peak.

Take the *shinkansen* (bullet train) to Kyoto, the ancient artistic city, and view the temples, gardens and glowing autumnal foliage.

Travel south to Kyushu and enjoy the famous hot springs ... travel to Hokkaido and ski in the white-capped mountains.

We will help you with travel recommendations: flights, accommodations, and other logistics.

Please feel free to contact us to express your interest, or to pose any relevant questions.

Japan is safe, fascinating, and a wonderful tourist destination - with clean air and water, marvelous cuisine and a plethora of fantastic amenities. The Japanese are respectful and friendly ...
